## Card of Thanks

### THANK YOU:

"There are no words" has been said to us many, many times over the last couple of weeks, & now it's our turn to say, "There are no words." There are truly not enough words to fully express our heartfelt thanks for the outpouring of love, prayers & support you have extended to our family during this most unimaginable time. Whether you sent a card, memorial, flowers or plant, brought food to the house or just thought of us in passing & said a prayer, we are forever grateful. To the Ewing Funeral Home, your compassion & guidance were instrumental in helping us get through that first week & plan a beautiful service for our Lauren. To Pastor Kevin, you are our rock. Your message was a difficult one to deliver, yet you knew just what we needed, and, after hearing it, we left the church with a little more understanding, a little lighter heart & a hope for healing. To Staley's Catering, you once again provided an excellent meal that allowed us much needed time to visit with our family & friends. To the ladies of United Church of Christ, all of your hard work was noticed & greatly appreciated. Our hearts are broken, & our world is upside down, but, with our faith & continued prayers from our family & friends, we will begin to heal. We are comforted to know how much others care & truly want to express our deepest gratitude for each & every one of you. Thank you.
