THANK YOU:

I just spent nine days in our local hospital, HMH. Let me say what a blessing to have such a medical facility for our use when needed. HMH is truly a "state of the art" environment & staffed with people, bottom to top, who are both skilled & caring for their patients. These words of appreciation also are extended to Dr. Veltri & his clinical staff. He, they, provide the best of wisdom, skill & concern for those being cared for. Our community is truly privileged to have such an outstanding hospital, embracing a "TLC" approach to its patients. Many thanks to ALL...
