LIBRARY REPORT: The library is collecting empty Kleenex boxes of any size. We use these to place on our book shelves to prevent the books from being pushed too far back which makes them hard to see. Any donations can be dropped off at the library when we are open.

The library is also planning to hold a "Senior Date Night" on October 8th. It will be a free will donation for entry. We plan on having pie available and playing music from throughout the decades. There will be more information to come later this month!
